The Offering

The Agents will market, on a best efforts basis, a private placement of special and flow-through special warrants of Archer (collectively the “**Offered Securities**”) for aggregate gross proceeds of a minimum of \$10,000,000. The Offering will be priced in the context of the market with the final terms of the Offering to be determined at the time of pricing. In addition, Archer will grant to the Agents an option, exercisable in whole or in part at any time up to two days prior to closing of the Offering, to offer an additional number of Offered Securities representing 15% of the Offering, on the same terms as the Offering.

The net proceeds of the Offering will be used for exploration and development of the Nickel Assets (as defined below) and for working capital purposes. The closing of the Offering is anticipated to occur immediately prior to or contemporaneously with the closing of the Acquisition (as defined below), which is expected to be on or about November 15, 2022 (the “**Closing Date**”) and is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory approvals, including the acceptance of the Canadian Securities Exchange.

The Offered Securities (and the Underlying Securities) will be subject to a hold period in Canada of four months and a day as set out in National Instrument 45-102 - *Resale of Securities* which hold period commences on the Closing Date. In the Qualifying Jurisdictions, the hold period will expire on the issuance of the Final Receipt.

As a condition precedent to the closing of the Acquisition, Archer is required to complete an equity financing for gross proceeds of at least \$10,000,000.

The Offered Securities will be offered by way of private placement exemptions in each of the provinces of Canada, other than Quebec, and in the United States on a private placement basis pursuant to exemptions from the registration requirements of the United States Securities Act of

1933, as amended (the “**U.S. Securities Act**”). The securities being offered have not been and will not be registered under the U.S. Securities Act and may not be offered or sold in the United States, or to, or for the account or benefit of, U.S. persons or persons in the United States, absent registration or an applicable exemption from the registration requirements.
